## CERT RODEO - RULES OF THE GAME

### Station 1: Triage
**Task:** This is a timed tabletop exercise. You will have 5 minutes to triage 25 patients.
**Sort:** Immediate, Delayed, or Dead. Then you will have 5 additional minutes to reevaluate and triage again.

**Recommended Team Members**
- (6): Team Leader
- (8): Team Leader, Medical Person
- Scribe

### Station 2: Medical Treatment
**Task:** This is a timed event. You will have 15 minutes. Six patients will be marked with injuries. You must perform a head-to-toe assessment. Evaluate as Immediate, Delayed, or Dead. Treat the injury with available materials and document.

**Recommended Team Members**
- (6): Team Leader
- (8): Team Leader, Medical Person
- Scribe

### Station 3: Gang Plank
**Task:** This is a timed event. You will have 15 minutes. A team of 4 will cover a 20-foot distance on two 8-foot wooden planks with rope handles. At the turn around, 4 different team members will return to the start/finish line. Time stops when the last person and the end of the board cross the line.

**Recommended Team Members**
- (8): Team Leader
- Team Leader
- Scribe

### Station 4: Tower Search & Rescue
**Task:** This is a timed event. You will have 15 minutes. Numbered tennis balls are hidden in the Fire Tower on floors 1-3. Three 2-person teams will search for the tennis balls. A whistle will blow giving you a 1-minute warning to get all team members out of the building.

**Recommended Team Members**
- (6): Team Leader
- (8): Team Leader, Scribe

### Station 5: Fire Suppression
**Task:** This is a timed event. You will have 15 minutes. Working in 2-person teams, you will approach and suppress 4 small fires. Once the fire is out, return to the starting line and pass the fire extinguisher to the next team.

**Recommended Team Members**
- (6): Team Leader
- (8): Team Leader, Safety Officer

### Station 6: Patient Transport
**Task:** A team will need to use cribbing techniques to extract the trapped victim. You will have 15 minutes to assess, transport, and complete documentation in order to report to IC.

**Recommended Team Members**
- (12): Team Leader, Scribe

### Station 7: Evidence Identification
**Task:** This is a timed event. You will have 15 minutes to completely search the field and cross the finish line. Conduct a line search across the designated search area. You will search the field area without breaking your line, stopping only when items are located and your scribe notified.

**Recommended Team Members**
- (12): Team Leader, Scribe

### Station 8: Cribbing
**Task:** This is a timed event. You will have 15 minutes to complete this task. A victim is trapped under a structure. The team will need to use proper cribbing techniques to extract the trapped victim.

**Recommended Team Members**
- (12): Team Leader, Medical Person
- Safety Officer

### Station 9: Size-Up
**Task:** This is a timed event. You will have 15 minutes to complete this task. You will complete a controlled perimeter size-up of a train accident. You will gather facts, assess damage, consider probabilities, assess your situation, establish priorities, and complete documentation in order to report to IC.

**Recommended Team Members**
- (12): Team Leader, Medical Person
- Safety Officer
- Scribe

### Station 10: Haz-Mat Identification
**Task:** This is a timed event. You will have 15 minutes to complete this task. You will identify each hazard, health risk and threat. Then advise appropriate actions and safety measures and complete documentation in order to report to IC.

**Recommended Team Members**
- (8): Team Leader
- Team Leader, Safety Officer
- Scribe, Safety Officer

### Station 11: Incident Command
**Task:** Select an Incident Commander for the entire Event. All teams must have an Incident Commander at the team tent at all times. He/she is allowed to participate and need not stay at IC all day as long as IC is transferred to another team member. The IC is responsible for organizing teams for each station, communication, documentation and reporting all station scores at the end of each event. Any station evaluations missing will earn 0 points for that event.

**Recommended Team Members**
- (2): Incident Commander, Scribe
